DETAILED ACTION

Claim 12 is allowed.

1. The following is an examiner's statement of reasons for allowance:

The prior arts of record fails to teach providing a supporting member assuming a second state in contact with the main body part of the metal mold and a first state slidable towards an outer periphery with respect to the second state, wherein in the pre-form supporting step, the main body part of the metal mold is located at a preset position to set the first state of the supporting member to guide the pre-form to a preset position, the main body part of the metal mold then being located at another preset position to set the supporting member in the second state, a marginal portion of the disk rotor being supported and secured in the second state by the supporting member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
